Exchange opportunities

Formal and informal exchange opportunities make it possible for students to include summer or academic year study in Finland. The Centre for International Mobility of the Finnish Ministry of Education organizes several Finnish language courses during the summer; and there is no charge for tuition or accommodation.

For more info, contact akn@u.washington.edu or see www.cimo.fi

International Study Programs Database

This database provides information about close to 400 international study programs offered by Finnish universities and polytechnics. In almost all of the programs the language of instruction is English.
