Summer Study

Summer study is a great option for students who don't have time to take a foreign language during the regular academic year, students from other colleges/universities, high school students, and members of the general public. We offer intensive language courses at various levels, as well as content courses.

If you are not a current UW student, please visit the UW Summer Quarter web page to learn about how to enroll.

To see what courses are offered this summer, visit our Courses page and look for the summer quarter listings.

If you have any questions about signing up for summer quarter Scandinavian Studies courses, please email uwscand@uw.edu.
